Author(s) Declaration

As the corresponding author and on behalf of all co-authors, I/we hereby make the following declarations regarding our manuscript titled *'[Manuscript Title]'*, submitted to the *Mehran University Research Journal of Engineering and Technology* (*MURJET*) for publication consideration.

1. The manuscript is original, has not been published elsewhere in part or in full, and is not under consideration for publication in any other journal, proceedings or platform.
2. All undersigned authors, as listed in the manuscript, have made significant contributions to the research, analysis and preparation of the manuscript, and have reviewed and approved the final version for submission.
3. The manuscript does not infringe upon the copyright or intellectual property rights of any third party. Any overlapping content is authored solely by me/us and does not violate any third-party rights.
4. All necessary permissions for previously published content, figures and/or datasets have been obtained, and their inclusion adheres to the ethical standards of *MURJET*.
5. Any similarity in the manuscript content is solely derived from prior publications necessary to maintain continuity and coherence in the presented research. The similarity index is within acceptable limits, i.e., not exceeding 19% overall and not exceeding 4% from a single source.
6. Proper citations and references to prior publications have been provided throughout the manuscript to acknowledge and credit the original works.
7. During the preparation of this manuscript, I/we utilized generative AI tools/services for *[REASON]*, ensuring that their use did not exceed 20% of the total manuscript content. After using the generative AI tools, I/we carefully reviewed, edited and refined the content to ensure accuracy, originality and full adherence to journal standards. I/we take full responsibility for the final content of the manuscript.
8. I/we declare that there is no conflict of interest, financial or otherwise, that could have influenced the research or its interpretation, except as disclosed to the Editor separately. This constitutes our written conflict of interest statement.
9. Where this research involves human or animal subjects, or structured surveys, all necessary ethics approvals and/or informed consent were obtained prior to the research being conducted, and the relevant approval statement/informed consent declaration is included in the manuscript. If not applicable to this manuscript, this is confirmed as not applicable.
10. All listed authors qualify for authorship and have made a significant contribution to the research, analysis and preparation of this manuscript. There is no ghost or guest authorship.
11. The source(s) of funding for this research, if any, are fully disclosed and acknowledged in the manuscript. If the research received no external funding, this is confirmed as not applicable.
12. A data availability statement, describing how the underlying data can be accessed or explaining why it is not available, is included in the manuscript where applicable.

This declaration is submitted in good faith, acknowledging that any discrepancies or ethical violations discovered at any stage of the submission or publication process may result in corrective actions as deemed appropriate by *MURJET*.
