Copyright Transfer Agreement

Paper ID	
Paper Title	
Correspondence Author	

As the corresponding author and on behalf of all co-authors, I/we affirm that all authors have reviewed and approved the complete content of the final manuscript prior to submission, have consented to its submission to *Mehran University Research Journal of Engineering and Technology (MURJET)* for consideration of publication and the order of authors as listed in this agreement reflects the exact order of authorship in the manuscript to be considered for publication.

I/we hereby agree to transfer the full and exclusive copyright of the manuscript submitted to *MURJET*. This transfer grants *MURJET* the perpetual and exclusive rights to publish and disseminate the manuscript in all formats, including print, electronic, digital media, translations, or adaptations. The transferred rights include, but are not limited to, the reproduction, distribution, public display, performance, and creation of derivative works, ensuring that *MURJET* can maximize the manuscript’s global reach and impact.

I/we acknowledge that *MURJET* holds the exclusive right to any royalties, profits, or financial benefits derived from the publication, reproduction, or dissemination of the manuscript. However, the authors retain the right to reuse the content for non-commercial purposes, such as academic presentations, lectures, and institutional repositories, provided proper citation of the original publication in *MURJET* is included. The manuscript may also be incorporated into academic theses or dissertations, acknowledging the journal as the original source. Any commercial use or republication requires prior written consent from *MURJET*.

I/we declare that the manuscript is original, has not been published elsewhere in part or in full, and is not under consideration for publication in any other journal or proceeding or platform. I/we confirm that the manuscript does not infringe upon the copyright or intellectual property rights of any third party, and all necessary permissions for copyrighted material included in the manuscript have been obtained.

I/we agree to indemnify *MURJET* against any claims, liabilities, or legal proceedings arising from copyright violations, plagiarism, or other breaches of the above and related terms.
